MY EXPERIENCE IN ALOT CHANGE PROJECT

Utana is a kind of a tutor that have assist many children and in many areas. It have guide many pupils and it have made them to improve their marks. Many pupils are in that ~~kind~~ tutor. Many parent have taken their childrens there and they have benefited.

I am the one of those pupils who are in that tutor. It have guide ~~me~~ me and and it have changed my life. I have been taught me about life skills and leadership. I have improved my marks and now I know that I am going to pass ~~the~~ my KCPE examination.

It have made me to improve Mathematic and english. I was the poor ~~boy~~ boy in our class in Mathematics and English especially english but Utana had made me to improve on those ~~subjects~~ subjects.
